"Lidewij van Wilgen has an aura of quiet calm, but the impeccable execution of her wines betray a fierce drive for perfection. Already recognized by many, this estate is only going to go from strength to strength."

La Dame

"Smells so lovely I wanted to climb into the glass...so much garrigue and thyme. A wildness, a freshness, and a long charming lingering finish.

This is such a beauty."

"This is the sort of wine that would make me very, very nervous if I were trying to charge people \$65 for Châteauneuf-du-Pape."
